

Maintenance Tune-Up Kit

Our special formulated cleaner works on ceramic and stainless steel to make your plates look and perform like new.

Kit includes:

8 oz bottle of cleaner
Extra-Soft Cleaning Brush
Wire Long-reach brush
Cleaning Tips
Latex Gloves

Our kit comes with step-by-step instructions on how to keep your unit in tip-top shape as if our technician were cleaning it themselves.

An 8 oz bottle should last 1-2 years depending on how often used.
